Communications Limited

**Microsoft
Sharepoint**

Collaboration
Guru

Staff Profile

- ✓ I enable collaboration.
- ✓ Made a mistake? I can help roll back time.
- ✓ Need to see who's been working on a document? I'm an excellent record keeper.
- ✓ Setting up a virtual intranet? I have the tools you need.

Meet...

Microsoft Teams

Your complete meeting platform.

- Meet, chat, call and collaborate in one place.
- Teams of two or 10,000 can meet at any time, from anywhere.
- Customize your team's space with application addons.
- Integrate with your phone system for added functionality.

Welcomm
Communications Limited

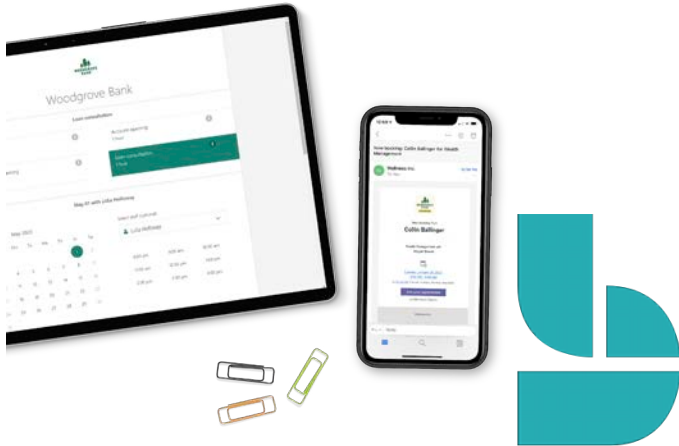

Microsoft Teams

Wellbeing
Co-ordinator

Staff Profile

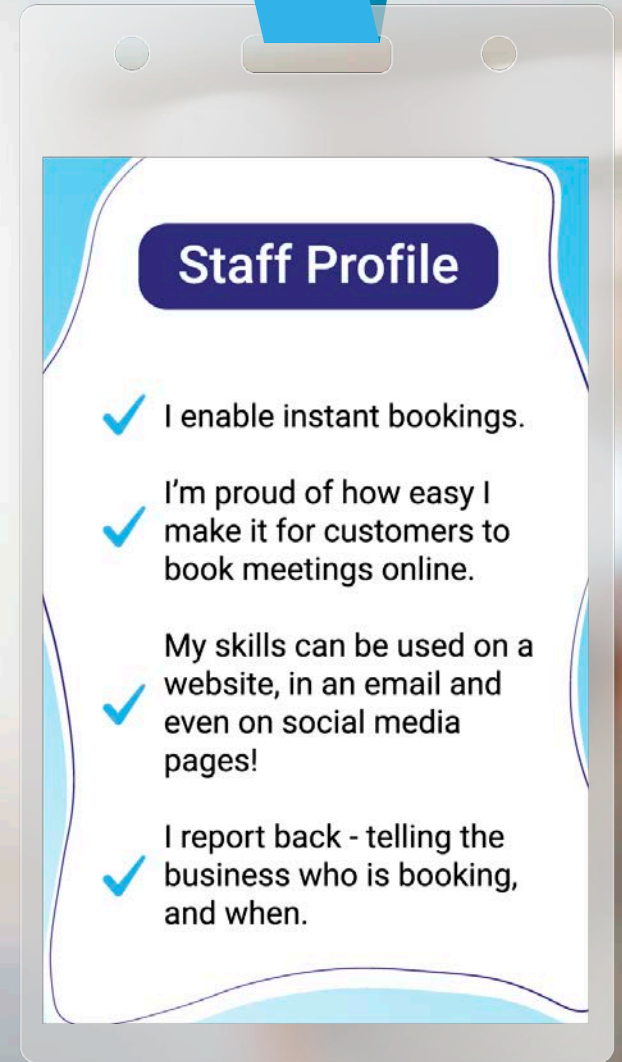

- ✓ I connect staff.
- ✓ I help create a seamless hybrid company culture.
- ✓ Planning a virtual event? I bring the whole business together face-to-face.
- ✓ I work together with over 600 applications to make your video calls more engaging and exciting.

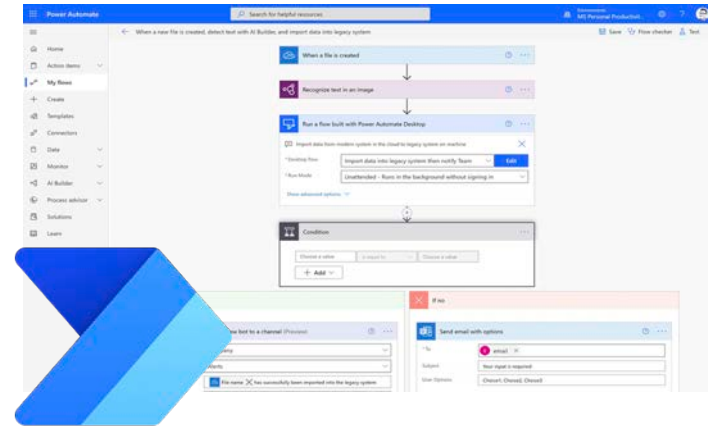

Meet... Microsoft Bookings

Your online appointment system.

- Simplify scheduling to save time.
- Meet virtually with Microsoft Teams.
- Customise appointments to your business needs.
- Give your customers flexibility, convenience, and control.

Communications Limited

Power Automate

Automation Genius

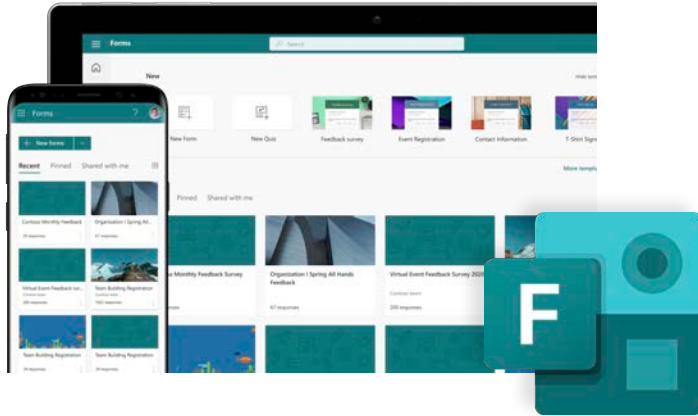

Staff Profile

- ✓ I automate tasks for my team.
- ✓ I work with the entire Microsoft 365 suite to streamline all of your day to day tasks.
- ✓ Sick of email admin and manual data entry? I can help!
- ✓ My skills go beyond Office - I connect with over 300 applications.

Meet... Power Automate

Your automation hub.

- Streamline repetitive tasks and paperless processes.
- Automate tasks quickly and securely.
- Boost efficiency with AI enhanced workflows.
- Expand your automation across desktop, web and mobile with Power Automate apps.

Meet... Microsoft Forms

Your data collection toolkit.

- Create effective forms with easy-to-use tools and clear design suggestions.
- Visualise data in seconds with real-time charts and automatically generated reports.
- Connect with customers on any web browser, on any device.

Microsoft Forms

Customer Engagement Specialist

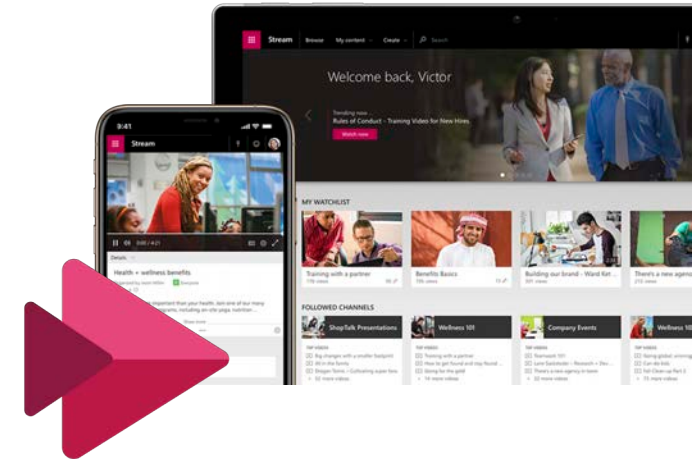

Staff Profile

- ✓ I help create interactive customer experiences.
- ✓ In a few short minutes, I can help you create a fully functional feedback form.
- ✓ Need to monitor your feedback and report back stats? I track everything!
- ✓ You can use my skills internally, externally, or combine both.

Microsoft Stream
Video Library Manager

Staff Profile

- ✓ I'm your business's video streaming hub.
- ✓ I can live-stream video content, trim recorded videos and even transcribe audio!
- ✓ I make it easy to organise internal training videos, Microsoft Teams call recordings and more.
- ✓ You can share my content with specific team members, or the whole business.

Meet... Microsoft Stream

Your internal video library.

- One centralised location for videos from across your organisation.
- Share knowledge with your teams, and live-stream internal training.
- Collect your Microsoft Teams call recordings in one location.
- A seamless video experience across web and mobile apps.
