

## Apple iPad 10<sup>th</sup> Generation

The all-new iPad is colourfully reimagined to be more capable, more intuitive and even more fun. With a new all-screen design, 10.9-inch Liquid Retina display and four gorgeous colours, iPad delivers a powerful way to get things done, create and stay connected.1 Add on essential accessories designed just for iPad and enjoy endless versatility for everything you love to do.

iPadOS brings it all together and makes everything on iPad feel smooth and easy. Run your favourite apps side by side, edit and share photos with others, and get to all your files.

The A14 Bionic chip delivers power and performance for any activity. Edit a 4K video in iMovie, plan a globe-trotting holiday with friends or play a graphics-intensive game. With all-day battery life, you can do it all without skipping a beat.

Express yourself, draw and brainstorm on a flexible creative powerhouse. The stunning 10.9-inch Liquid Retina display makes an incredible canvas. So you can doodle, take notes, mark up documents and a lot more with Apple Pencil.

With the new landscape 12MP Ultra Wide front camera, you'll be perfectly in frame whether you're on a FaceTime call, attending a video conference or recording a selfie. And with Centre Stage, the camera automatically adjusts to keep you centred in the shot.
